Special Attractions: Continuous clinics by Fishing Experts
"How To" Kid Clinics with prizes on Sat. & Sun.

TYPES OF EXHIBITS

Fishing Equipment: The Latest in all types of fishing equipment from manufacturers around the world displayed and demonstrated.

Boats: Skinny Water Bay Boats completely rigged with all the electronic gear and equipment that have made these boats famous will be displayed. Blue water rigs equipped to tackle the Gulf fishing waters and smaller bay rigs play an important part of the boating display. A large number of kayaks will also be presented.

Guides: Guides both fresh water and salt water will be present in large numbers from all over the world.

Vacation: National resort areas including exhibits from regional resort areas, marinas, fishing camps and seashore will have experts available to help the southern fisherman plan his vacation.

Seminars: Seminars will be conducted on the subject of fishing. These "clinics" will be staffed with experts in each particular field of interest. Bay, bass, offshore and fly fishing are just some of the topics.
